**DRIVER/GAUGER
REQUIREMENTS & QUALIFICATIONS**

All Driver positions require a current CDL with Hazmat and Semi-Tanker endorsement and a current DOT physical and drug screen.

Job Level

Driver/Gauger Trainee	Entry level position with very basic skills and aptitude or experienced but newly hired with company. Must be able to read and write in English. This training level or designation typically is from 10-45 days. During this period of time necessary skills, policies and procedures will be taught to trainee. Movement to Driver/Gauger will depend upon necessary minimum proficiencies demonstrated.
------------------------------	--

Driver/Gauger	Has completed entry level (trainee) period of training. Demonstrates proficiency and/or has proven experience in driving, crude oil gauging, operation of truck computer and ticketing process. Is familiar with all company policy and procedures related to the job and of the operations and division.
----------------------	---

Lead Driver/Gauger	Seasoned and experienced Driver/Gauger. Responsible for the daily activities of all Driver/Gaugers under his charge. Works with lead mechanics for scheduled vehicle maintenance or breakdowns in the field. Assists Field Supervisors with station "over and short" reports, meter provings, scheduling of truck-trailer washes and out of district manpower needs. Advises field Supervisor and District Manager of any and all personnel matters to include disciplinary function of subordinate drivers. Assist district office with the gathering of paperwork to include driver daily logs, meter tickets, run tickets and meter proving reports. Assists District office with directing specific oil lease volumes into designated pipeline delivery stations. Assists with the administration of the company safety program.
