Carrier will accept Nominations from Shipper(s) twice during the month preceding the month during which the transportation is requested. During the first Nomination period, Carrier will only accept Nominations received BEFORE 12:00 noon Central Standard Time/Central Daylight Saving Time, whichever is applicable, on the tenth (10th) of the month preceding the movement. Barrels Nominated must be in writing. If Carrier's space is Nominated either full or beyond Standard Capacity\* during either the tenth (10th) or fourteenth (14th) of the month Nomination period, then Item No. 75 (APPORTIONMENT WHEN NOMINATIONS ARE IN EXCESS OF FACILITIES) of Plains Pipeline, L.P.'s F.E.R.C. Should a Shipper's actual volumes delivered exceed the Nominated volumes, adjusted for proration, Shipper will be obligated to pay for actual volumes delivered. When the tenth (10th) of the month falls on a weekend or a holiday, Nominations will be required prior to 12:00 noon Central Standard Time/Central Daylight Saving Time, whichever is applicable, on the preceding workday.

Barrels Nominated by Shipper(s) in writing to Carrier AFTER 12:00 noon Central Standard Time/Central Daylight Saving Time, whichever is applicable, on the tenth (10th) day of the month preceding the movement and prior to 12:00 noon Central Standard Time/Central Daylight Saving Time, whichever is applicable, on the fourteenth (14th) of the month preceding the movement will be part of the second Nomination period. When the fourteenth (14th) of the month falls on a weekend or a holiday, Nominations will be required prior to 12:00 noon Central Standard Time/Central Daylight Saving Time, whichever is applicable, on the preceding workday. This Nomination period is available for Carrier to accept Nominations for remaining space available, if any, subsequent to the first Nomination period. Shipper(s) Nominating barrels to Carrier during this period are not obligated to pay transportation charges on Nominated barrels; rather, transportation will be charged on barrels transported and delivered out of Carrier's System. Item No. 75 (APPORTIONMENT WHEN NOMINATIONS ARE IN EXCESS OF FACILITIES) of Plains Pipeline, L.P.'s F.E.R.C. No. 2, supplements thereto and reissues thereof, will apply when there are Nominated to Carrier more barrels during this Nomination period than the remaining available space.
